

# BHARAT KI JEEWAN

A news letter from the Region of India

JULY - 2024 Issues- 37

## REV. DN. DILDHAR'S DIACONATE MINISTRY AT LUDRU

On July 1, 2024, I became a part of the Ludru community. I was thrilled to join and received a warm welcome. I was entrusted with the responsibility of being a deacon and a member of the community. I am grateful to Fr. Subal Francis Nayak and Fr. Golok for their warm welcome. I want to express my heartfelt gratitude to Fr. Regional Superior, Ajith Kumar, and his team members, Fr. Umakant and Fr. Radhelal, for giving me the opportunity to serve as a deacon in Ludru and for the chance to learn for my future. Our community life has begun with Mass, Adoration, and Rosary with the people, as well as our community activities, including praying together, sharing meals, and working together. We enjoy our presence here as brothers.

"When elders in the family pass away, there is sadness, but when children leave at a young age, it is very painful and difficult to accept. This is what Kunkuni's family felt in Ludru. The girl was bitten by a dog, which caused a severe infection, and she eventually bid farewell to her family and this world. The three of us from the SSCC gathered for her funeral mass, shared warm condolences, and prayed with the family. It serves as a reminder for us to be vigilant, especially towards children, to take care of them and provide support within our families.

It was a wonderful and joyful moment for us to participate in the birthday celebration of Chotu, one of the sons of the principal of Ludru Primary School. She was very happy to welcome us. We pray and wish the entire family success and a happy life.

Another event took place in our Parish, which was the "rectification" of marriages; seven couples participated along with their families.

It was a good experience. It was my first time witnessing it. Father Subal blessed them before the mass.

"Each one plants one" – This beautiful message was shared by Fr. Golok in the church during the announcement to encourage our community to plant more trees, fruit trees, and vegetables. "Eat healthy and live healthy" - it is very important for our lives to consume healthy food. We must always be mindful of Pope Francis's second encyclical "On the care of our common home" (Laudato Si'). When we love nature, nature will love us in return, because God has created us to take care of our common home and our surroundings."

## JUNIORS GATHERING

On July 31, 2024, the Junior Finally Professed Brothers gathered for a two-day life sharing event at Divya Darshan Kolkata Barrackpore. Rev. Fr Tuma Reddy led a prayer service, giving all an opportunity to reflect on and share their deep and meaningful life and mission experiences. Following the spiritual session, all enjoyed an organized outing under the guidance of our esteemed Animator, Fr. Subol. The day was filled with engaging activities and delightful refreshments, providing the priests with an opportunity to strengthen their bonds and lift their spirits.
