## First Religious Profession of Bro. Sandeep lugun ss.cc. and Bro. Suman Tudu ss.cc.

Our two dedicated brothers, Bro. Sandeep Lugun SS.CC. and Bro. Suman Tudu SS.CC., recently celebrated and committed to their first profession as true children of the Sacred Hearts of Jesus and Mary (SS.CC.). We are immensely grateful for their wholehearted response to the divine call to live a consecrated life.

As consecrated religious, both of them are dedicated to embodying the characteristic features of Jesus, who is known as the chaste, poor, and obedient one. Their commitment to living out these virtues will serve as a constant and visible testament to the presence of Jesus in the midst of the world.

With open arms, we welcome them into the family of the Sacred Hearts as they profess their vows. Through this sacred act, they will definitively and irrevocably give themselves entirely to Jesus and Mary, vowing to uphold the virtues of poverty, chastity, and obedience as a testament to their faith and dedication to God's calling.

On Wednesday, June 19, elections were held for the new Provincial government. Fr. Lane Akiona, SS.CC. was reelected as Provincial Superior, and Fr. Stephen Banjare, SS.CC. was elected as Vicar Provincial. The first, second, and third councilors are: Fr. Eric Cruz, SS.CC., Fr. Maik Kamauoha, SS.CC., and Fr. Bob Charlton, SS.CC.

## Coudrin Niwas for Pastors at work

Coudrin Niwas is for pastors at work. What we give is a prophetic witness which is a heart of our mission in our pastoral ministry. Our parish community is a community in prayer. Youth and children are part of this praying community. Much attention is given to prayer, study, Sunday catechism, value education, youth ministry, social responsibility and discipline in every aspect. Youths and students are learning disciplined way of life. Sunday catechism is made compulsory to strengthen faith formation. The joy is ours of being part of it.

The construction of compound wall of Coudrin Niwas is underway. The wall will safeguard our poultry from jackals and protect our plants, crops and mushrooms that are forthcoming in the monsoon season. Our garden is getting ready for the cultivation to provide us organic food. Our fowls keep our surrounding soundful.

Change is a perennial law of the nature that is happening and would be happening. As we are in the monsoon season the nature turns into greenery that is pleasing to the eyes of the beholder. Our Coudrin Niwas is surrounded with its natural beauty that is indescribable. In the midst of the nature, hearts are delighted and my memory flash back to the immortal words “a thing of beauty is a joy forever” of John Keats. Indeed! The serenity that the nature provides is a boon to the humanity who doesn't have time to stand and stare the beauty in the hectic world. Indeed! the environment is a source of graceful living.
